

Invitation to be a speaker in future Levantine Heritage Foundation London gatherings

We as the community of Levantine Heritage Foundation have had the pleasure of being informed by a lecture series going back to 2009 accompanying our dinner gatherings in London. Our gatherings take place 3 times a year, publicised in advance on the home page of our website. We have had a diverse range of topics covered in past talks and would like to continue welcoming speakers dealing with the multiplicity of topics that would fit our remit.

Cities & regions – Athens, Aleppo, Beirut, Salonika, Alexandria, Jerusalem, Balkans, Black Sea

Trades - family businesses, dried fruit, opium, seagrass, valonia, rugs, shipping etc.

Arts – painting, writing, theatre, music

Travel – Balkans, trade routes, tourism in Ottoman era, transportation (railways, buses such as Nairn et al., roads, advent of motor car, shipping)

Families & communities – including global diaspora (where did Levantines go in 1922 and why there?)

Nationality, identity and marriages – how enclosed did communities remain; polyglottism;
Politics. Which side were they on?
